## SLCM to provide warehousing services to ACE members

Gets Accreditation from Ace Derivatives and Commodity Exchange

Report by: EOIC

New Delhi / Kolkata

11 Nov 2014

Sohan Lal Commodity Management (SLCM), India's leading agri logistics and warehousing company, has received empanelment as Warehouse Service Provider (WSP) from Ace Derivatives and Commodity Exchange Limited. The accreditation from Ace will enable SLCM to provide storage/warehousing facilities to trading/clearing members of the Exchange and their constituent/clients that will include acceptance, storage and delivery of the commodities traded on bourse. Ace is a screen based online derivatives exchange that provides trading facility for commodities.

Commenting on the development, SLCM Group CEO Sandeep Sabharwal said, "We are proud to be associated with Ace Derivatives and Commodity Exchange Limited, which has set high standards in the field of commodity trading in India and offers state-of-the art trading platform." (EOIC)

Commenting on the development, SLCM Group CEO Sandeep Sabharwal said, "We are proud to be associated with Ace Derivatives and Commodity Exchange Limited, which has set high standards in the field of commodity trading in India and offers state-of-the art trading platform. As WSP for Ace, we are committed to provide the best technology enabled storage solutions and well-maintained protection services for the entire range of agri-commodities to the exchange's trading members and their clients. With our vast network of warehouses, we will ensure transparent and efficient services."

This move makes SLCM as the one and only service provider in India which is accredited with two leading national exchanges – Multi Commodity Exchange of India Ltd, Mumbai (MCX) and now ACE. The group already has license from Food Safety & Standards Authority of India (FSSAI) and is one of the first company in India from the private sector to get WDRA accreditation.
